The figure displays a 4x3 grid of 12 monthly calendars for the year 2020. Each calendar is a table with columns for the days of the week (Mo, Di, Mi, Do, Fr, Sa, So) and rows for the weeks. The months are arranged as follows:

- Row 1:** Januar, Februar, März
- Row 2:** April, Mai, Juni
- Row 3:** Juli, August, September
- Row 4:** Oktober, November, Dezember

Each calendar includes a 'KW' (Week) column on the left. The days of the week are abbreviated as Mo, Di, Mi, Do, Fr, Sa, So. The dates are listed in the cells. The availability status is indicated by the background color of the date cells:

- nicht buchbar (not bookable):** Light purple background.
- reserviert (reserved):** Yellow background.
- gebucht (booked):** Red background.

For example, in January, the 1st is booked (red), the 2nd is reserved (yellow), and the 3rd is not bookable (purple). In December, the 1st is not bookable (purple), the 2nd is reserved (yellow), and the 3rd is booked (red).
